OVERDRAFTS

Please tell us how you would like overdrafts to be treated by completing the following:
(You must complete BOTH this section and the "What You Need to Know about Overdraft Fees" form)

1. **Overdraft Protection Plan.** Under the Overdraft Protection Plan, I may authorize you to pay transactions that would cause an overdraft of my checking account by transferring funds from an existing savings account. If I elect Overdraft Protection, you will look to this plan for funds to cover my overdrafts before you use your standard overdraft procedures. If I choose not to elect Overdraft Protection, or I have insufficient funds in my account to cover the overdrafts, then your standard overdraft practices will govern. Under those practices, you may (but don't have to) pay checks and automatic bill payments that cause overdrafts; if you do so, you will charge me a fee. If an ATM transaction or one-time debit card transaction causes the overdraft, I must tell you if I want you to pay such transactions or to decline such transactions. (See "What You Need to Know About Overdrafts and Overdraft Fees" attached to this Application.)

Yes, I would like Overdraft Protection. Please pay any overdrafts in my checking account by withdrawing deposit account funds as follows:

(indicate the order you would like funds transferred by placing 1 for first choice, 2 for second choice, etc. If there are not sufficient available funds in your first choice, then funds will be transferred from your second choice, etc.):

Regular Share Savings Account Secondary Share Savings Account

I will be charged a fee for this service in the amount of \$4.00

No thanks; I will use your standard overdraft practices.

2. **Standard Overdraft Practices.** Please complete the "What You Need to Know About Overdrafts and Overdraft Fees" document attached to this application.
